Why go Tribal Direct?

As an economically disadvantaged 8(a) Indian Economic Enterprise (IEE), our companies can be awarded a sole-source contract per FAR 19.805-1.

Tribal Direct contract awards can take place in as little as 20 days.

- **Speed:** Direct award capability that can be executed quickly
- **No Protests:** awards cannot be protested; reduced costs
- **Minimal Transition risk:** 100% transition of the existing team
- **Fair to contract staff:** No negative impacts to incumbent support staff
- **Consistency:** Continuity of incumbent management support
- **Expanded Services:** Staff augment incumbent bench

Vs. Standard Procurement which can take 18+ months.

Congratulations
